Chief I have obtained the CVX Qualification as Preferred Importer in country, both PB and now PP will enjoy this status. This will no only produce a lot of cash as we'll pay duties on the 6.3 as opposed to the 215 rate, but it will expedite our TSA payments. Major accomplishment worked with AG for long time.

I have also to report that I've been in touch with all important prospective people as per our chat last time. CVX is protected in any scenario, probably posed to a better role.

Hope to talk to you and report on liaison progress soon,

JJ
